About Us

Founded in 2015, Winning English Academy is the Philippines' first Taiwanese-owned language school.

10+ countries' students

7000+ students annually

500+ professional teachers

Up to 8 one-on-one classes daily

Why Choose WINNING?

01 The best school location in Cebu city!

Ayala campus is incredibly convenient! Everything you need is within walking distance. Whether you prefer vibrant city life or a resort-style ocean setting, we have the perfect place for you!

02 International WINNING Family

Practice English with classmates worldwide and improve your skills through cultural exchanges. Join our WINNING family to gain valuable global perspectives and prepare for success!

03 High-Quality English Education

We offer high-quality education with a structured curriculum and regular instructor training. Adults use Cambridge-certified materials, while juniors learn with Danny Kids' effective textbooks.

04 Online-Merged-Offline (OMO) Learning

Winning+ English E-Learning is our dynamic online platform, helping 5,000+ students enhance their English skills anytime, anywhere—perfect for preparation and practice before and after studying in Cebu!

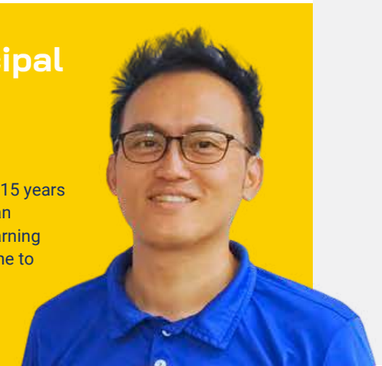

Message from Principal

Hi, I'm Malcolm, co-founder of Winning English Academy.

Before founding Winning in 2015, I worked 15 years in global manpower and saw the need for an English center that builds global talent. Learning English through real interactions inspired me to create a "Global Village" at Winning.

City Campus (Near Ayala Center)

Start your English learning journey here! Steps from Ayala Mall and Cebu Business Park, it's the perfect spot to hit your language goals while enjoying vibrant city life.
With 500 years of history blended into modern, spotless rooms, it's your absolute best stay in Cebu.

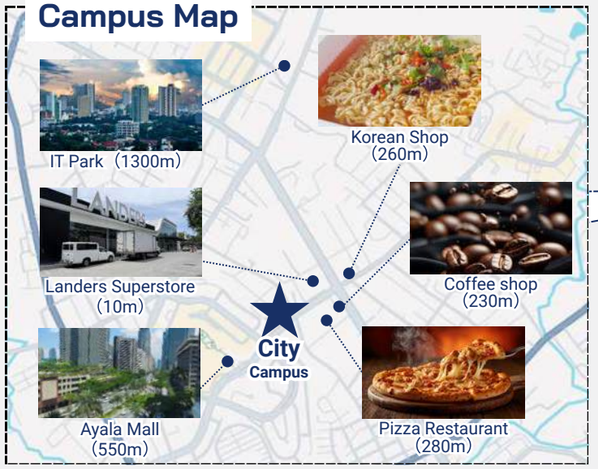

Capacity: 200
For: Adults, College Students, Family, Junior
Facility: Free Wi-Fi, 24-hour security, Self-Study room, WINNING Cafe, WINNING Gym, Pray room, Medical room

Program

WINNING Education focuses on providing personalized, high-quality learning experiences using internationally recognized materials, highly qualified teachers, and a student-centered approach to ensure academic success and personal growth. We offer programs including ESL, IELTS, TOEIC, Business and Travel English.

Academic Feature

01 Internationally Authorized Materials

We use Cambridge English for Life (CEFL) for adults and the Danny Kids Curriculum for juniors, ensuring high-quality, internationally recognized materials tailored to each age group's needs.

02 Professional Teachers

90% of our teachers are university graduates with an education background, bringing expertise, dedication, and innovative teaching methods to ensure student success.

03 One-on-One Lessons

Personalized lessons are designed to meet each student's unique needs, providing tailored content, direct feedback, and fostering a strong teacher-student relationship for efficient learning.

04 Incentive Systems

We provide incentives to teachers based on student feedback and academic trainer evaluations, ensuring high-quality teaching and consistent academic performance across all levels.

Mỗi buổi học được xây dựng dựa trên mục tiêu và trình độ của từng học viên, với nội dung phù hợp, phản hồi trực tiếp từ giáo viên và sự tương tác chặt chẽ, giúp nâng cao hiệu quả học tập.

Guardian	2	0	2	4

WINNING Activity

We organize school activities to create opportunities for students to interact with peers and teachers. These activities help students use English practically while enhancing their learning experience and fostering cultural exchange.

Weekend Activity

School Events

Food

We provide buffet meals prepared by a Taiwanese chef, with halal options available for Muslim students.

Halal Food

WINNING CAMP

Winning's camp makes learning fun with great teachers, facilities, and a "Global Village" that fosters cultural exchange, global awareness, and English skills.
Our program offers 1:1 and small group lessons, STEAM activities, self-study, evening events, and outdoor adventures like city tours and island hopping.
